UCAPAN ALUAN YBRS. DEKAN
FAKULTI KEJURUTERAAN ELEKTRIK DAN ELEKTRONIK

Assalamualaikum wbt. dan salam sejahtera.

Saya ingin mengambil kesempatan ini untuk mengucapkan setinggi-tinggi tahniah dan syabas kepada seluruh warga Fakulti Kejuruteraan Elektrik dan Elektronik (FKEE), merangkumi para pelajar serta staf, atas komitmen luar biasa dalam menjayakan FKEE FEST 2026. Program dwi-tahunan ini dianjurkan bagi meraikan, mempamerkan, dan mengiktiraf hasil kreativiti serta inovasi para pelajar melalui platform akademik dan keusahawanan.

Sepanjang dua hari program berlangsung, pelbagai pengisian berimpak tinggi telah diatur khusus demi memperkasakan sahsiah dan kebolehpasaran pelajar. Kita amat bertuah kerana FKEE FEST kali ini mendapat sokongan padu daripada *Industrial Advisor Panel (IAP)*, rakan industri, serta barisan alumni dari pelbagai sektor industri yang dijemput khas kembali ke fakulti untuk bertindak sebagai panel penilai luar bagi *Final Year Project (FYP) Industry Award* dan *Integrated Design Project (IDP) Showcase*. Penilaian langsung daripada pakar industri dan alumni ini memberikan impak yang sangat besar dalam memastikan hasil reka bentuk serta penyelidikan pelajar menepati standard pasaran global.

Selain itu, pertandingan inovasi Postgraduate Seminar in Electrical and Electronic Engineering *(POSEEE)* bagi pelajar pascasiswazah turut dianjurkan. Alumni industri kita turut terlibat melalui slot *Alumni Talk* yang mengupas strategi kerjaya dan *Self-Branding*. Pelajar turut berpeluang keemasan berinteraksi secara terus dengan bakal majikan menerusi sesi *FKEE Talent Showcase & Industry Interview 2026* untuk membuka ruang kerjaya secara langsung. Selain itu, bakat niaga pelajar turut diasah melalui *Karnival Keusahawanan* dan aktiviti gerai jualan.

FKEE FEST 2026 juga meluaskan impak sosialnya kepada masyarakat luar melalui Program Discover FKEE. Program ini menjadi platform terbaik untuk mempromosikan program akademik FKEE kepada para pelajar sekolah jemputan melalui aktiviti lawatan ke *Solar Farm*, *Innocube*, dan pameran inovasi, sekaligus menarik minat generasi muda untuk menceburi bidang kejuruteraan.

Akhir kata, saya merakamkan setinggi-tinggi penghargaan dan terima kasih kepada jawatankuasa pelaksana, IAP, para penilai industri, alumni industri, serta seluruh warga FKEE yang terlibat. Semoga usaha murni ini menjadi pemangkin kepada kecemerlangan berterusan fakulti.

Sekian, terima kasih.
